WATERCRAFT RESTRICTIONS

Houseboats, jet boats, jet skis, wind surfers, hang gliders, and airplanes are not permitted on the lake.

Only non-restricted properly registered watercraft owned by W.P.O.A. members are permitted on W.P.O.A. property.

WATERCRAFT REGISTRATION / REGULATIONS

Registration stickers are issued by Security when entering the community. All boats with any type of motor must have a Lake Waynoka registration boat sticker. This includes row boats/paddle boats equipped with a trolling/electric motor. At the time of registration, the Lake Waynoka registration boat sticker must be placed on the left side of boat hull, above the water line and sternward of the state hull identification numbers and state registration sticker.

All boat owners must carry boater's liability insurance.

All Ohio Division of Watercraft registration and safety requirements should be met and maintained on all boats.

Boat trailers must have state license tags and have the owner's lot number displayed on the left side of the trailer.

Boats may be inspected for State required safety equipment (Coast Guard approved) upon entering the subdivision or on the lake at any time by Lake Patrol / Security.

LAKE WAYNOKA WATERWAY RULES AND REGULATIONS

W.P.O.A. requires that all boaters are knowledgeable of basic boating operational and navigational rules as well as all Lake Waynoka watercraft rules and regulations. Ignorance of rules and regulations does not excuse violations. If you were born after January 1, 1982 you must take or have taken a State-certified "Safe Boating Course" to operate a boat in the State of Ohio including Lake Waynoka.
